

BUSINESS & LEGAL ADVISOR

Corporate Structure, IP Protection & Compliance

JAG Global Network • Position Description • February 2026

PURPOSE OF THIS ROLE

The Business & Legal Advisor provides strategic guidance on corporate formation, intellectual property protection, contract development, and regulatory compliance across the JAG Global Ecosystem. With 19 interconnected spheres, 7 foundational pillars, and multiple planned entities (JAG Corporation, JAG Industries, JAG Technologies, JAG Labs, JAG Trust, JAG Foundation), the legal architecture is as complex as the mission itself.

This role ensures the ecosystem's vast intellectual property — including 317,000+ words of manuscripts, proprietary frameworks, and the Genesis Ledger blockchain system — is properly protected from the start.

CORE RESPONSIBILITIES

1. Corporate Formation & Structure

- Advise on optimal entity structure across JAG Corporation, Foundation, Trust, and operating entities
- Guide formation of LLCs, C-Corps, nonprofits, and trust structures
- Develop operating agreements, bylaws, and governance documents
- Advise on equity structures, SAFE notes, and investor agreements

2. Intellectual Property Protection

- Coordinate trademark filings for JAG Universe brands, logos, and proprietary terms
- Advise on copyright registration for manuscripts, courses, and creative works
- Support patent applications for Genesis Ledger's Generative Tracking™ technology
- Develop IP licensing frameworks for the ecosystem

3. Contracts & Agreements

- Draft and review contractor agreements, NDAs, and partnership terms
- Develop volunteer agreements and contributor terms
- Create publishing agreements and distribution contracts
- Review platform terms of service and privacy policies

4. Compliance & Risk

- Ensure compliance across jurisdictions as the ecosystem scales globally
- Advise on content liability, defamation prevention, and False Light Exposure framework legal boundaries
- Support fundraising compliance (crowdfunding regulations, securities law)

REQUIRED QUALIFICATIONS

- JD or equivalent legal education (licensed attorney preferred)
- Experience with business formation, IP law, or corporate governance
- Understanding of startup/early-stage legal needs
- Strong contract drafting and review skills
- Ability to provide practical, mission-appropriate guidance

HELPFUL BUT NOT REQUIRED

- Experience with publishing, media, or content industry law
- Familiarity with blockchain technology and cryptocurrency regulations
- Nonprofit law and foundation compliance experience
- Securities law experience (for investment rounds)
- Mission alignment with consciousness-based or education-focused organizations

COMPENSATION

- Pro bono, reduced-rate, or equity-based initially — founding advisory status
- Post-funding: Competitive retainer or outside general counsel arrangement
- Equity participation in JAG Global Corporation
