

DOCUMENTARIAN

Mission Documentation, Video & Archival Storytelling

JAG Global Network • Position Description • February 2026

PURPOSE OF THIS ROLE

The Documentarian captures and preserves the JAG mission as it unfolds — from the Founder’s daily work and portal launches to sacred site footage, testimonials, and behind-the-scenes moments. This is a story 13 years in the making, and the documentation of its emergence is itself a historic record.

This person creates video, audio, and photographic content that serves multiple purposes: YouTube documentary series, social media content, archival preservation, and the future JAG Entertainment franchise.

CORE RESPONSIBILITIES

1. Video Documentation

- Film the Founder’s journey as the ecosystem launches and grows
- Capture portal launch events, team meetings, and milestone moments
- Produce documentary-style content for YouTube and other platforms
- Edit footage into multiple formats (full documentary, social clips, promotional content)

2. Audio & Voice Content

- Record the Founder’s voice for audiobook production and AI voice synthesis (ElevenLabs)
- Capture audio testimonials and interviews
- Produce podcast content when the mission expands to audio platforms

3. Photography & Visual Archival

- Photograph key events, team members, locations, and artifacts
- Create professional headshots and brand imagery
- Build and maintain a visual asset library for the ecosystem

4. Storytelling & Narrative

- Work with the Founder to identify story moments worth capturing
- Develop narrative arcs for the documentary series
- Preserve the chronological record of the mission’s emergence for future reference

REQUIRED SKILLS

- Video production experience (shooting, lighting, sound)
- Video editing proficiency (Premiere Pro, Final Cut, DaVinci Resolve, or similar)
- Strong storytelling instincts — ability to find the narrative in real events

- Self-directed and able to work with minimal instruction
- Reliable equipment or access to quality camera, audio, and lighting gear

HELPFUL BUT NOT REQUIRED

- Documentary filmmaking experience
- Photography skills and portfolio
- Audio production and podcast experience
- Motion graphics or animation skills
- Proximity to Minnesota or willingness to travel
- Interest in consciousness, spirituality, or mission-driven storytelling

COMPENSATION

- Project-based or equity-based initially — founding team status
- Post-funding: Competitive salary or retainer with equity participation
- Credit and visibility on all produced content
